Parks & Recreation

Goal 1: Provide a high quality, integrated parks and recreation network that provides for all age and interest groups		
Recommendation	Like	Needs Group Discussion
Complete a Joint Recreation Master Plan that prioritizes improvements and land acquisitions		
Develop a centrally-located youth multi-sports facility		
Provide amenities at all parks that allow for passive uses such as picnic tables and benches, especially at Cary Park		
Write in		
Goal 2: Provide an interconnected system of multi-use trails and corridors that allow for healthy outdoor experiences and connections to the region		
Create a multi-use trail connecting the Lake and Village core		
Support Otsego County efforts to develop a county-wide trail network		
Write in		
Goal 3: Design and develop facilities that are sustainable, accessible, safe and help connect residents and visitors with our natural resources		
Develop a strategic plan for Baker's Beach, including upgrades and maintenance		
Develop interpretive signage to highlight features such as native flora and fauna and historic sites		
Repair/replace the fountain along Rt. 20 just east of the Village		
Write in		
Goal 4: Create the capacity to efficiently and effectively manage our parks and recreation resources		
Create a Joint Parks and Recreation Commission with volunteer members appointed by the Town and Village Boards		
Work with the Otsego Land Trust to preserve critical lands and waterways		
Develop a Local Waterfront Revitalization Program to protect the integrity of Canadarago Lake		
The Town, Village, and the Canadarago Lake Improvement Association should work collaboratively to pursue the goals of the 2014 Watershed Protection Plan		
Write in		

Business & Economic Development

Goal 1: Foster the creation of a highly skilled, flexible workforce		
Recommendation	Like	Needs Group Discussion
Attract young entrepreneurs and nano-tech-supporting jobs		
Promote agricultural development consistent with Best Management Practices		
Work with the school district to bring in an Ag teacher and reestablish the FFA		
Coordinate with regional higher educational institutions to offer satellite learning opportunities within the Village		
Provide free municipal high-speed wi-fi access within the Village		
Write in		
Goal 2: Concentrate on retaining and expanding existing local businesses		
Develop partnerships with nonprofit organizations that support local food producers and processors		
Work with local grocery stores to sell and market local ag products		
Develop an agri-tourism program to support local farms		
Develop a downtown revitalization strategy		
Write in		
Goal 3: Maintain and strengthen the Village and Town as a tourist destination		
Solicit establishment of a micro-brewery within the Village core		
Use the Rt. 20 Scenic Byway as a way to market the Town and Village		
Cross-promote the Town and Village offerings with Cooperstown		
Write in		
Goal 4: Promote and encourage preservation of the region's historic and cultural assets		
Educate the public on the economic benefits of historic preservation		
Explore ways to increase State and Federal funding for historic preservation		
Write in		
Goal 5: Provide an adequate supply of development-ready land for professional and light-industrial use		
Develop land generally located behind Price Chopper as a Business Park		
Develop a marketing program to promote the area as "Open for Business"		
Create a collaborative recruitment strategy among businesses, nonprofits and the public sector		
Write in		

Agricultural Resources
------------------------

Goal 1: Create increased awareness and support for the Town's agricultural industry		
Recommendation	Like	Needs Group Discussion
Promote local farms at "Farm Days"		
Educate the public, both residents and tourists, on the value of good ag soils		
Link local farms and the Richfield School District		
Write in		
Goal 2: Promote land stewardship to protect soil, water, and environmental integrity		
Develop an Agricultural Protection Plan for the Town		
Develop an Open Space Protection Plan		
Develop ordinances to concentrate development within the Village and Town Hamlet areas		
Write in		
Goal 3: Strengthen the agricultural economy as a vital component of the Town/Village wealth		
Engage the American Farmland Trust in pursuing a succession plan for local farms		
Within the Village, explore the creation of a farm co-op market for locally-grown and produced products		
Encourage local restaurants and grocery stores to use/sell locally-produced products		
Write in
